ELLIS ISLAND HANDCRAFTED MICROBREWS

EI LIGHT

Our light beer is uniquely handcrafted using 100% natural ingredients: barley malt, rice, the finest American hops and hand selected lager yeast. Due to our unique brewing method, we make the most flavorful light beer you have ever tasted. This beer is great with any food choice and it will not leave you feeling full!

EI AMBER

Distinctive amber ale that contains a lot of hops with a European taste and a great caramel color. An all around good beer for any food that isn't sweet, it compliments well with a sandwich or a hearty soup.

EI ROOT BEER

An old fashioned, all natural, real "brewed" Root Beer. This non-alcoholic drink is thick and creamy and will remind you of an old-fashioned root beer stand

2.25

EI IPA

Golden color and a slight tint of Amber with American hops which gives it big herbal flavors and very little bitterness. This beer has a very smooth finish and pairs well with fried fish or spicy foods; try a pint with our Signature Fish & Chips!

EI WEISS

Made with a larger than normal amount of wheat malt, which produces a clean, rich flavor and brewed in the Bavarian style, which makes it uniquely flavorful. A light effervescent drink with the yeast left in the beer and served with a slice of fresh lemon. Try yours with a shot of blackberry brandy...Delicious!

EI STOUT

Inspired from English and Irish Stouts, this is a dark beer made with roasted malt and should not be confused with a "bock" beer. Our stout is rich, smooth, malty and has a full bodied flavor. It tastes great with our Chicken Fried Steak or the Barbecue Special!
